

4月5-9日 (溫書假週 Reading Week), no class April 8

【課程簡介】 Course Description

Starting with the biblical meta-narrative of the Dominion of the Righteous Lord (DRL), we will study the theme of righteousness expressed by the moral law (*lex Christi*) as one way to connect historical, systematic and the practical theology, including how Christ's humanity fulfilled the law, and how the new covenant transforms the elect into moral law righteousness. Using a new definition of practical theology, we will study how parents engage children with 6 "R" verbs: research, reckon, reassure, reform, remove, with evaluation of results. These DRL-*lex Christi*^{6R's} themes will be used to develop a practical parenting model for instructing and disciplining children (newborn to about age 12).
